

Cats Have Fun

Hi! Our names are Nox and Rex. We are house cats. We know people think cats are lazy, but we are not. We exercise a lot! Every day after breakfast, we go outside to have fun. We are expert jumpers. We can jump over the fence and onto the roof. We love to hide in the bushes and climb trees. Our favorite thing to do is to catch mice. We also like to scare birds and chase butterflies and grasshoppers. When we come back, we feel tired and in need of a good nap. We always choose cozy places to sleep: the sofa, the soft pillows on the bed, or even our cardboard box. Then, we wake up refreshed, ready to play inside with our ball of yarn!
